

POSITRUTH

As my spirit rises, my body follows. I am healthy and strong, and able to do my work upon the Earth. My hands are formed to work miracles, great and small.

Dexterous and articulate, my hands are instruments of precision. With them, I bring the best ideas out of my mind and into the world. Whatever I will create, I will create with my wonderful hands.

My hands are a symphony of free movement. Every bone, joint, and tendon performs in perfect unison. The muscles of my hands are strong, my grip is firm, my sensation delicate.

My hands are capable and energetic, to work well in every becoming service.

I gratefully acclaim the health and strength of my hands.
