

POSITRUTH

I am an eternal being, filled with an infinite capacity. My ability to overcome is boundless. My desire to overcome is absolute.

The infinite wisdom of opposition is evidenced in our entire existence. All growth comes from opposition. There is nothing that I cannot overcome, and in my overcoming I find the incalculable expansion of my soul.

Obstacles shrink in comparison to my ability to overcome.

What I thought was a mountain, is level earth as I stride confidently through the landscape of my opposition. I weigh the development of my soul against any challenge, and realize that no task is too great.

Challenges appear only when I am able to conquer. Their very presence is evidence of my ability to overcome. I meet them with energy and surety, and stand victorious, having gained the prize.
